Dear Chaz Williams,

This is to acknowledge receipt of your email. I am forwarding your email to our Clerk's Office for processing. Your email will become a part of ND-2015-20-E – (Duke Energy Carolinas: Foothills Transmission and Substation Project - 45-Mile Transmission Line Between Asheville, NC, Power Plant and New Substation Near Campobello, SC) and will be posted on our website under ND-2015-20-E.

Please let me know if you should require any additional information.

Sincerely,

Hope H. Adams

Please vote against the Duke proposal regarding the 45 mile transmission line between Campobello and Asheville.

This proposal will dramatically change our beautiful rural area, property values will decrease, businesses and charities will suffer. The economic impact will have a detrimental affect on our

area. People move here for the rural, wide open spaces with the lovely mountain view.

This is the 21st Century - certainly the lines could be buried as the cable and phone companies do.
